Dear Oakland Residents,

I am conducting an audit of the City's Public Works Agency and I would like your input on the quality of services the Public Works Agency provides to Oakland residents. As your elected City Auditor, I will be hosting four open community meetings to provide a forum at which residents can express their views on:

- Sidewalk maintenance and repair
- Tree trimming
- Street paving and pothole repair
- Storm drainage and flooding
- Maintenance of parks and medians
- Street lights
- Recycling
- Graffiti abatement and
- Other public works functions

At the meeting, I will introduce you to the audit team including members from Matrix Consulting Group, a national research firm with a long history of evaluating public works departments, and Gibson & Associates, a local Oakland firm. The intent of the meeting is to gather honest feedback from residents. To ensure an open forum, no employees from the Public Works Agency will attend the meetings. The community meetings will be held at four locations in June and July. The locations, addresses, dates, and times for these meetings are listed below.

LOCATION	ADDRESS	DATE	TIME
Allendale Recreation Center	3711 Suter Street Oakland, CA	Tuesday, June 24	6:00 - 7:30pm

If you have any questions regarding the community meetings, please contact my office at (510) 238-3378. Thank you in advance for your assistance.
